"Ireland begs you to be haunted by her mystery and teased by her fantasies. What is it about this place that entices me so? Is it ancient ruins, wild seascapes, the forty shades of green? Or is it the verbal jousting and continual sing-song of stories in a language that is something beyond English? It is all of these and more. It is a people whose goal is only to be themselves, whose spirit retains a dignity which is rare in today's world." - Jill Uris, *Ireland Revisited*
