An American in Paris is the romantic story of a young American soldier, a beautiful French girl and an indomitable European city, each yearning for a new beginning in the aftermath of war. Starring Robert Fairchild (NYC Ballet) and Leanne Cope. An American World War II vet turned painter settles in Paris and promptly falls in love. The new musical is inspired by the Academy Award-winning film.

George Takei, the original and beloved Mr. Sulu from “Star Trek,” film and television star, activist and social media icon, will make his Broadway debut in this new musical, which was inspired by his real life childhood. An epic story of family, love and patriotism set during World War II, *Allegiance* follows the Kimura family in the weeks and years after the attack on Pearl Harbor as they are relocated from their farm in California to an internment camp in the rural plains of Wyoming.
