One of the most beloved musicals of all time, Lerner & Loewe’s *My Fair Lady* returns to Broadway in a lavish new production from Lincoln Center Theater. Directed by Tony winner Bartlett Sher, the stellar cast—led by Lauren Ambrose, Harry Hadden-Paton, Norbert Leo Butz and Diana Rigg—tells the story of Eliza Doolittle, a young Cockney flower seller, and Henry Higgins, a linguistics professor who is determined to transform her into his idea of a “proper lady.” But who is really being transformed?

Rodgers and Hammerstein's timeless musical *Carousel* returns to Broadway for the first time in more than two decades, in a new production starring Tony Award nominee Joshua Henry (*Hamilton, Shuffle Along*), Tony winner Jessie Mueller (*Beautiful, Waitress*), and Renée Fleming in her first-ever appearance in a Broadway musical. Elevated to an epic scale with a sweeping musical score and incandescent ballet sequences, this story of passion, loss and redemption introduced Broadway to a new manner of musical drama when it premiered in 1945, and it has captivated theatergoers for generations.
